New Beginnings

We the staff of the 1985 - 86 Campus wish to dedicate this yearbook to the freshman class. You are the first ninth grade class of Kiski Area High School; a perfect illustration of new beginnings. Good luck and may you graduate with the many fond memories of Kiski as have those before you.

Putting it all together

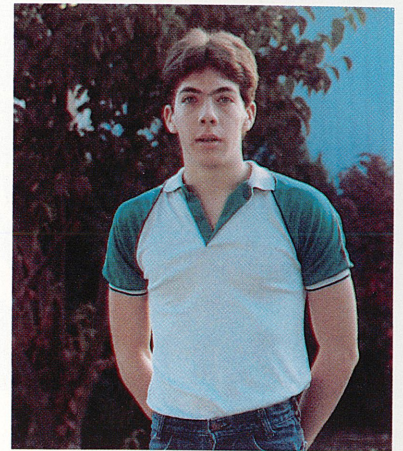

For a member of the yearbook staff a glance at the 1986 Campus will mean more than many ever know

- . . . working diligently for hours in the S.A.R. to meet each deadline
- . . . arranging and rearranging layouts
- . . . searching through photos to find just the one to suit that page
- . . . running around trying to collect pictures from seniors who said we'd have them yesterday and somehow they never got here.
- . . . "writing and typing articles
- . . . spending endless hours proofreading so that everything is spelled correctly and still managing to spell something wrong
- . . . selling ads and student messages along with dozens and dozens of donuts and cookies
- . . . sharing in a special pride made possible only through knowing that one has succeeded in capturing the past on the pages of this book.

If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with a success unexpected in common hours.

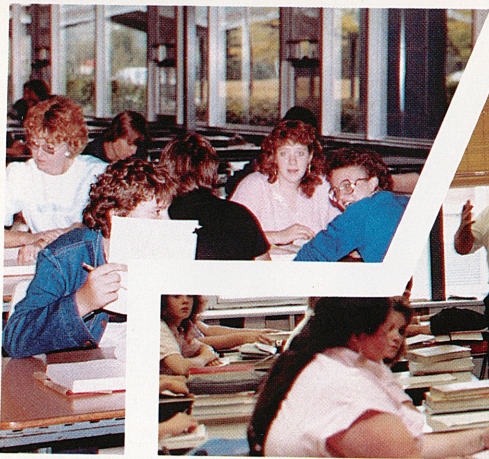

-Henry David Thoreau-

If you want to succeed you should strike out new paths rather than travel the worn paths of accepted success.

-John D. Rockefeller-

What dreams we have and how they fly
 Like rosy clouds across the sky;
 Of wealth, of fame, of sure success,
 Of love that comes to cheer and bless;
 And how they wither, how they fade,
 The waning wealth, the jilting jade
 The fame that for a moment gleams,
 That flies forever, dreams, ah dreams!
 Burning doubt and long regret,
 Tears with which our eyes are wet,
 Wealth, fame and, love, ah love that beams
 Upon our souls, all dreams-ah dreams!

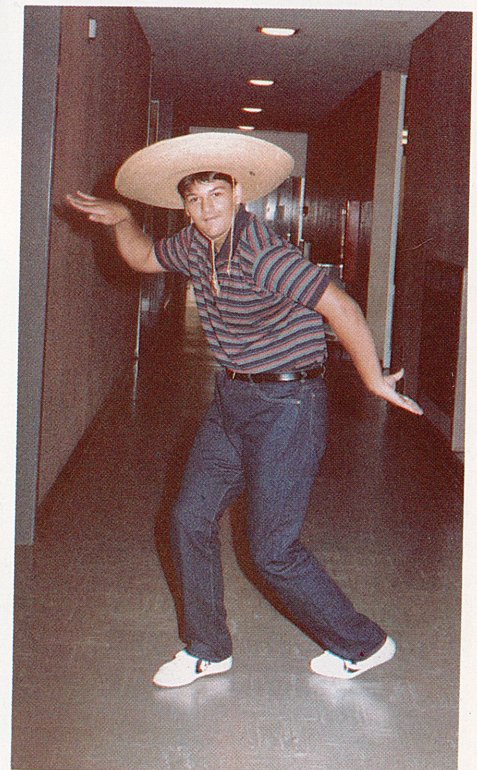

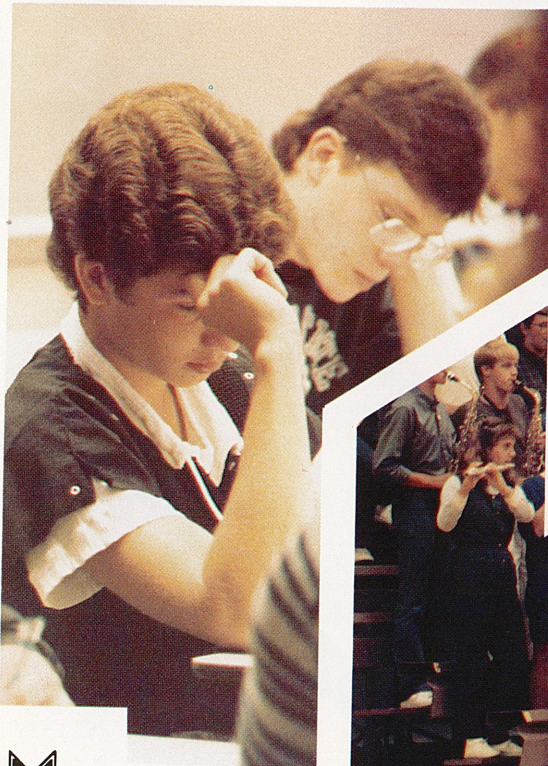

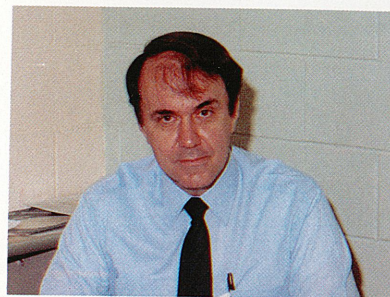

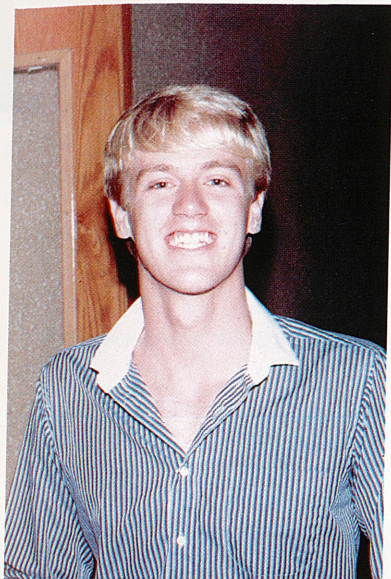

Farewell

No more . . .

- . . . searching through the halls to find your best friend to share an exciting event
- . . . turning on the radio and hoping for a cancellation so you won't have to take the economics test which you really didn't study for
- . . . standing in the cold snow while chattering those immortal words, "Just five more minutes and I'm leaving!"

- . . . watching in disappointment as the bus comes two seconds after you chatter those immortal words
- . . . buying any kind of ticker just to get out of homeroom
- . . . sitting in studyhall the day before Christmas vacation watching the clock because you don't have anything else to do
- . . . getting up at 5:30 to wash your hair and then finding out that school's been delayed two hours
- . . . running down the halls before school starts to find a friend so you can compare answers (which usually don't compare)
- . . . voting for your class motto and flowers, knowing that it won't be long until graduation

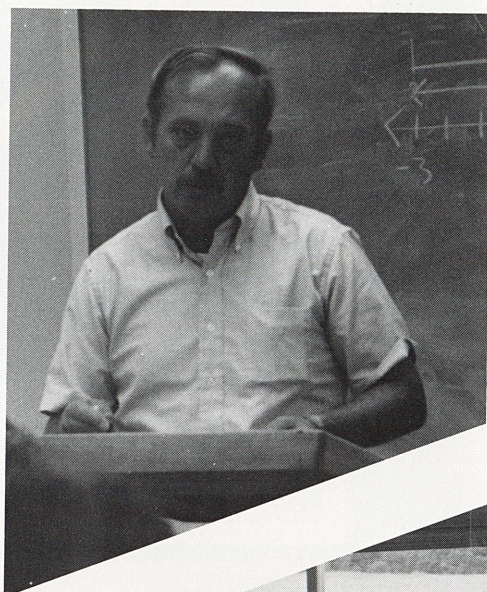

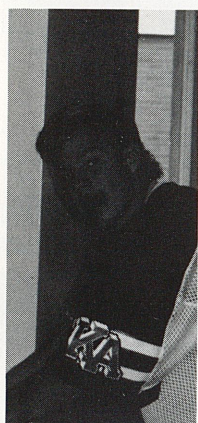

I am not afraid of tomorrow, for I have seen yesterday
and I love today.

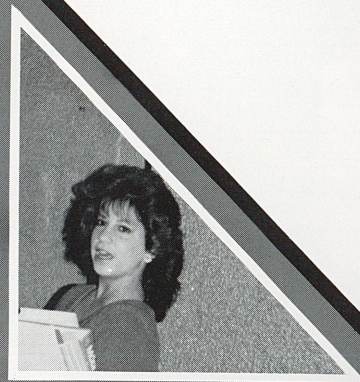

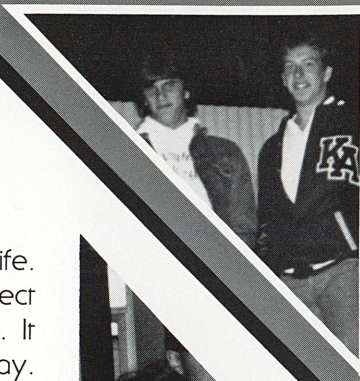

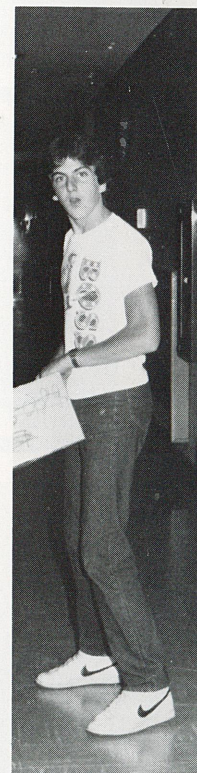

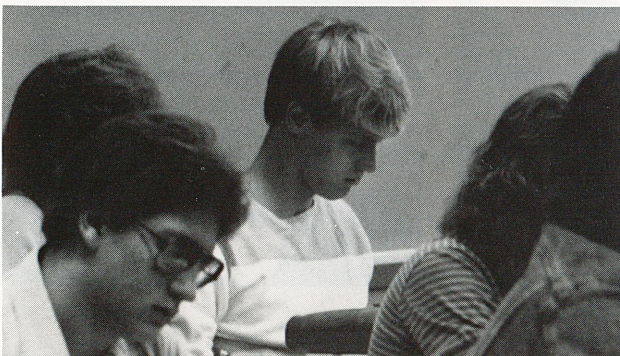

-William Allen White-

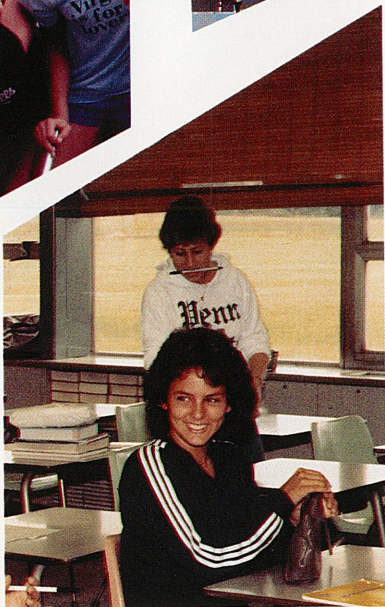

In just a minute we will say goodbye
I will drive away and see you
across the boulevard in the rearview mirror
Maybe you will make out the back of my head
disappearing in the traffic
And then we will never see one another again
It will happen in just a minute now.

Tomorrow is the most important thing in life. Comes to us at midnight very clean. It's perfect when it arrives and it puts itself in our hands. It hopes we've learned something from yesterday.
-John Wayne-

The pace of events is moving so fast that unless we can find some way to keep our sights on tomorrow, we cannot expect to be in touch with today.
-Dean Rusk-

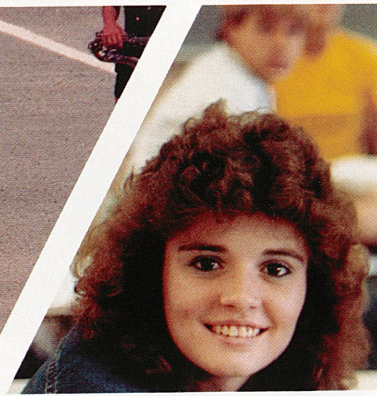

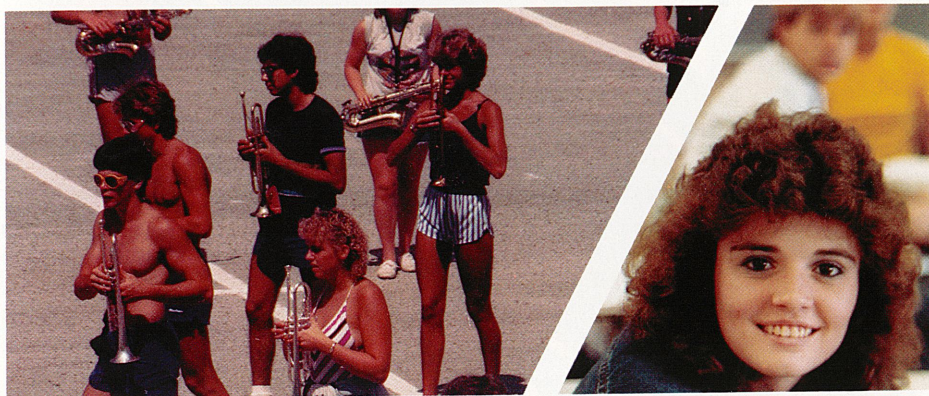

It isn't an end, it's a beginning,
I pray that the saying is true
for I dread leaving familiar things
and beginning my life anew.

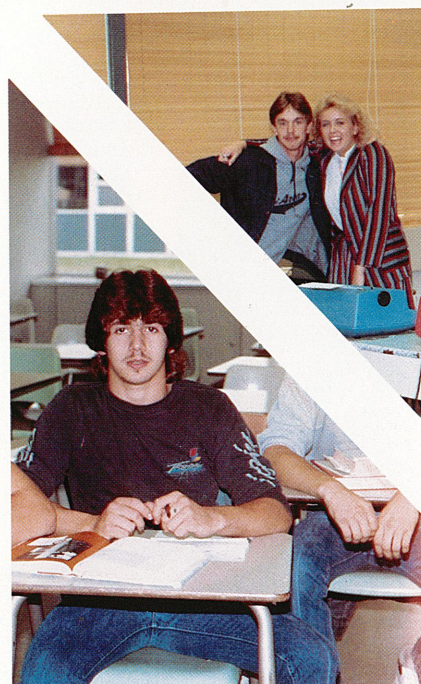

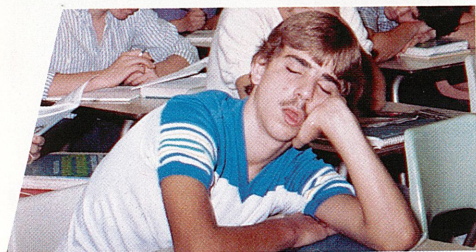

It isn't an end, it's a beginning
I say to my departing friends
feeling the tears rising in my eyes
some I will never see again.

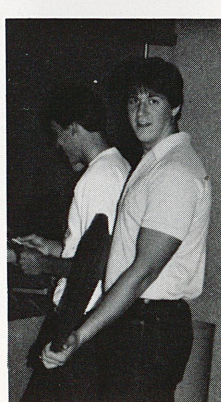

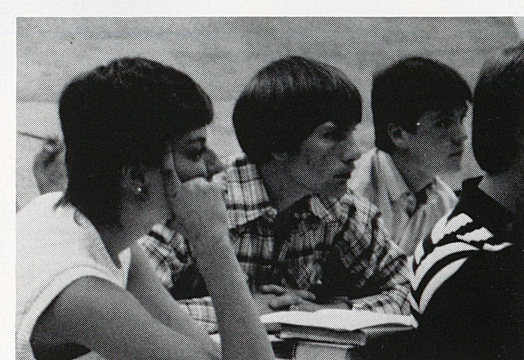

It isn't an end, it's a beginning,
and there are so many days to live.
I feel happy inside because I'm young
and I still have myself to give.

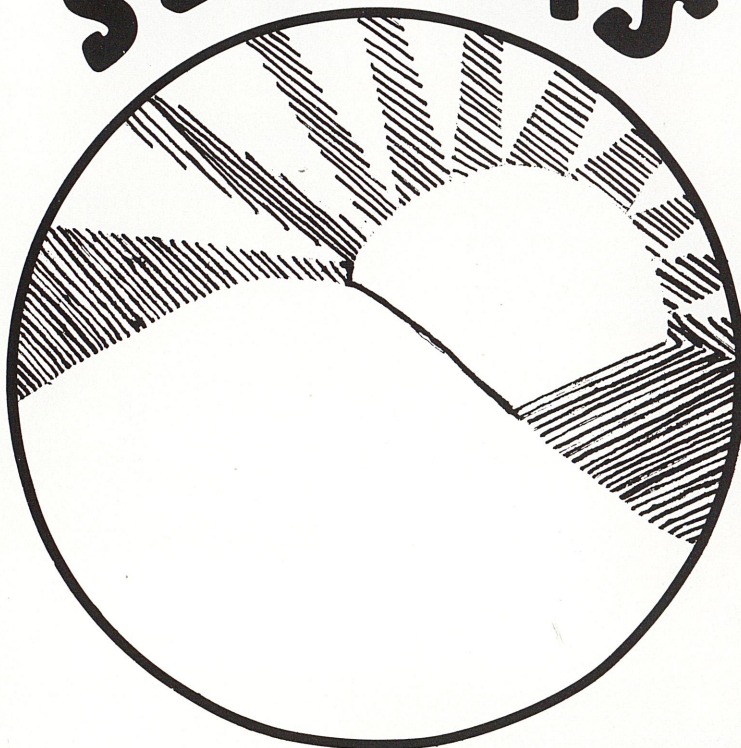

It isn't an end, it's a beginning,
of a new life for you and I.
The future looks golden with promise
even now as I stand and cry.

As days, months, and years go by
 It's sad but yet exciting
 Times gone by are memories now
 The future waits, inviting.
 The friends we've met, the things we've done
 Are in our hearts to stay
 We think of them and remember their smiles
 With the passing of each day.
 Grieve not for yesterdays gone by
 Or leave old friends in sorrow
 But dream about the things ahead
 And reach toward tomorrow.

It is time for us, the Class of 1986, to leave these familiar halls of Kiski High that have been our home for the past three years. It is hard to believe this part of our lives is over. It seems as if the past 12 years have gone by much too quickly. We have made many friends and have collected fond memories over these, the best years of our lives. It will be these memories and friendships that will help us get through the rough times and make us smile when we are down. Thoughts of our Senior Prom, the outstanding Athletic teams, the Band and Chorus, Homecoming, and the many other activities this year will remain with us always.

We have gained much from our years here at Kiski; knowledge, experience, and maturity to name a few. It is with this that we go out to make our mark in the world. The best of luck is wished to every member of the Graduating Class of 1986. It is also hoped that each of us succeeds at the goals we have set for ourselves and that we never forget our times at Kiski High.

Teacher Of The Year

Mr. John Meighan

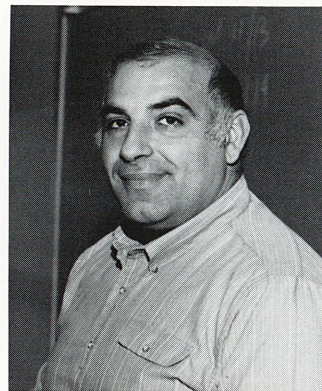

The recipient of the 1985 Teacher of the Year award is Mr. John Meighan. Mr. Meighan teaches senior English at Kiski. He is sponsor of the Kiski Pride Club, Student Council, 1985-1986 Telethon, and the Cross-Country Team Coach. He was chosen by the Senior Class and the Kiwanis Club of Vandergrift for his contribution to the teaching of English. Winners of this award are selected on each of three levels: elementary, intermediate, and senior high. The teachers are chosen for teaching technique and also for their personalities and concern toward the students.

The K.A. Majorettes were very active this year. They attended several competitions. It was a rewarding year and many trophies were won.

Along with a new marching style, the majorettes each got two new uniforms and various props to fit their routines.

Basically, they had a year to be proud of, and they are anxiously awaiting the new season.

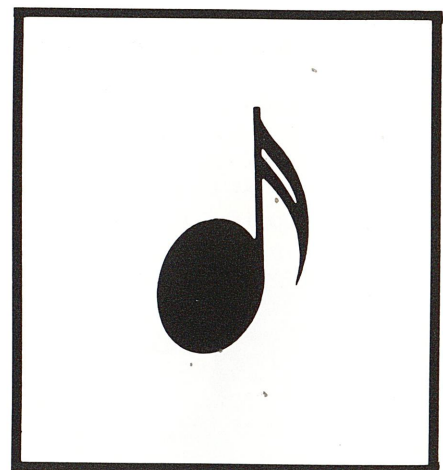

Precisely Perfect

Under the leadership of Wendy Phillips, the new KA Colorguard began to work immediately after school ended in '85. By the time band camp came around in mid-August, they had progressed immensely, but still had a great deal of work ahead of them. Many long hours were spent learning routines and marching techniques, but it all paid off when Kiski's colorguard beat the national champions of Norwin in it's very first competition. Needless to say, everyone was quite happy, but they had to keep working if they wanted to maintain that title.

In the next few months they were kept busy with football games and many competitions. Finally, in October new uniforms arrived, meaning a change for the members. Instead of having a military-look, the colorguard changed its image to compliment its new jazz style. All the changes they underwent and all the hard work proved to be worthwhile.

In November the marching band uniforms were put away as the concert band settled down to another great year. The sound necessary for outside playing had to be ramed to be suitable indoors, but with Mr. Koror's help the adjustment was made quickly. At first things seemed slow and tiring, but the key ingredient, practice, allowed the band to prepare a polished concert for April. It all proved to be a lot of hard work—and thankfully also a very memorable year.

As soon as the marching season is over, the members of the Symphonic Band begin their hard work, preparing various pieces of music for their annual spring concert and performance at Indiana University of Pennsylvania. Each day during 9th period, plus a few days after school, one can hear strains of classical music, marches, and even modern music coming through the walls of the auditorium. On a bad day, one might also hear the angry voice of Mr. Lamendola. But even though "Mr. L." may yell a lot, he is just pushing these musicians to their absolute limit, making them the best they can possibly be. Under his direction, the Symphonic Band has earned the reputation of being one of the finest concert bands in the state.

The freshmen coming to the high school brought our music department something additional - a new band. This band, under the direction of Mr. Carmine Botti, was in performances such as Band Night, Christmas Parade, a Christmas Concert, and the Memorial Day Parade. The band is also busy fundraising for their future years in the "Big K" Marching Band. Although they are looking forward to next year, the freshmen will never forget the times they had as Kiski Area's first 9th grade band.

As members of the Pep Band, it was each student's job to keep the spirit alive with his driving fight songs. During pep assemblies and basketball games the Pep Band psyched up the players, excited the fans, and even helped the cheerleaders out a little. The overwhelming spirit and pride, along with this years talented athletes, made their job extremely easy and a lot of fun!

The Band took a different route this year. Mr. Koter, the replacement for Mr. Borri, had big shoes to fill. Mr. Koter brought a new philosophy as the marching band director. The band put in a lot of hard work and dedication that paid off in the end. They racked up two third places, and one first place in regular competition. At the states, held at the unforgettable "Mud Town U.S.A." Baldwin Pa., they put in a day of marching in the mud and running in and out of the rain. By the time they came home they were number 3 in the state and had an up and coming reputation as being a power house marching band. In the spring the band went to Florida. They have made much headway in only one year and have a right to be proud.

DIRECTOR: Mr. John McClelland

The concert choir at Kiski is composed of both junior and senior students. Each year these students practice daily to be able to perform for others. As in the past, the choir this year presented a Christmas concert. The piece chosen for the event was *THE MESSIAH* by G. F. Handel. Several soloists were featured, and the final presentation proved to be a real success. Once again, the choir was also asked to participate in the Kaufman's *CELEBRATE THE SEASON* parade in Pittsburgh. Fortunately, having marched in last year's parade, this task was no longer such a strange experience for those involved. Finally, in May, the choir wrapped up the year with the annual spring concert. It too was successful. Of course this just shows that all the hard work and dedication from members was worthwhile.

When divided, members of the Concert Choir make up the Kiski Area Glee Clubs (men and women). These groups perform individually, providing variety for concerts.

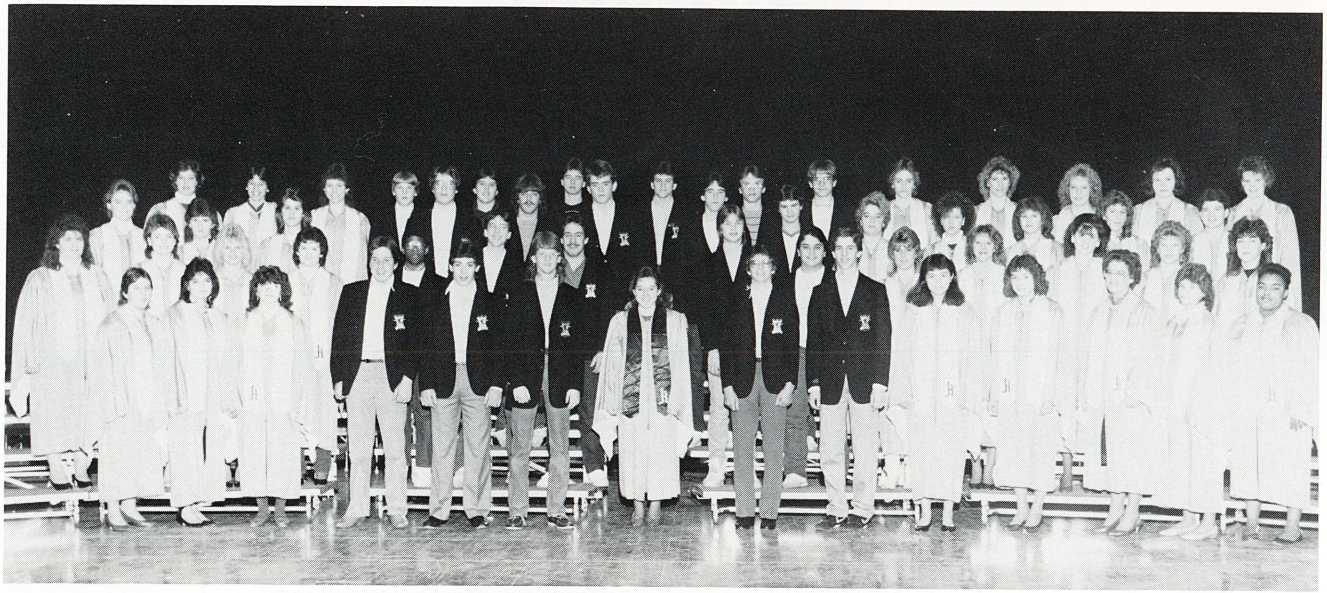

The mixed chorus is made up of tenth grade students. These singers lack some of the technique necessary for high school work. For them the year is a learning experience- practicing to one day be in the Concert Choir.

The ninth grade chorus is a new group at Kiski. In past years they performed with seventh and eighth graders at respective junior highs, but now they perform alone.

Jazzin' It Up

At the beginning of the year chorus students select any song they want to audition for Jazz-Rock. Finalists are chosen based on a scale of one to ten. Unfortunately, there are many who try-out and have talent, but the club is restricted to about a dozen students. The members practice every day during the activity period. They work especially hard preparing for concerts. They perform at various locations.

The Varsity Club is made up of dedicated athletes that have earned a varsity letter in their sport. The main activity of the club is to raise money by selling candy at Easter. In this way the members earn varsity jackets. Along with raising money, the club shows their school spirit by supporting the athletic teams at Kiski.

The Kiski Area newspaper, known as the Kiskizette, is a production made possible through the efforts of seniors taking Journalism as an elective course. With the help of Mr. Iagnemma each semester class is able to learn all that is necessary for the production of a paper. This year, due to the demand for the course, an additional class was added to Kiski's schedule allowing for the distribution of eight papers throughout the year rather than the usual four. This also gave each student a chance to have an article published in the Kiskizette. In this way, those involved in Journalism attain the experience of creating a paper while others at the school are able to read and enjoy the news at Kiski.

The drama club at Kiski encompasses those students interested in performing for the entertainment of others. This year a lot more people supported the club than in previous years. Due to such a large interest, and all the help of sponsor Mrs. Wichrowski, the members of the club were able to put on a play during 1986. The preparation for this show was difficult. Many cookies were sold to raise money for production costs. Fortunately, all the dedication was worthwhile. The show was successful.

Each inductee to the National Honor Society is carefully selected by the guidance counselors and faculty at Kiski. Candidates are chosen according to four criteria: scholarship, leadership, character, and service. Members sponsor various fund raisers throughout the school year. NHS Coffee Houses give students a chance to relax and socialize during the activity period, while the Christmas candy-cane sale and Easter bunny sale allow students the option of showing friends that they care. Other activities include a hoagie sale and rock concerts. The advisor to the National Honor Society is Mrs. Lola Answine.

At the beginning of each school year try-outs for the Kiski Area Math League are held. Those students who qualify are then divided into teams which compete with other schools. This year the team competed with students from Churchill, Gateway, and Franklin Regional, while also hosting a home meet at Kiski in February. These meets allow the students to put their mathematical knowledge to use. It also gives them an opportunity to become acquainted with students from other schools.

The Math Club provides a semi-casual atmosphere in which students at Kiski can receive needed help with their math subjects. Each morning in the lower cafeteria students assist each other with homework. Mrs. Scales is present to lend a hand whenever necessary.

The Spanish Club, under the direction of Mrs. Love, began to work a few weeks after school started. Because of the new edition of the freshmen, they formed an additional club, with Mrs. Kuruc as advisor.

The year started off slowly but soon the Spanish Newspaper the "Que Pasa", was being passed out to all the Spanish classes. Members went on a field trip to Pittsburgh, where they ate delicious Mexican food at Chi-Chi's. This year, the club also participated in the Christmas telethon, which turned out to be a lot of fun.

The French Club planned many activities throughout 1986. During International Week they got together with the Spanish and German Clubs and sponsored a Coffee House. This gave them experience in making simple French pastries. They also helped in the telethon at Christmas. They visited I.U.P. to see a French film and also at the end of the year made a French dinner for themselves. Mrs. Baun sponsors the French Club and if you would like to participate in it, you should take a course in French and learn the "Language of Love."

The library aides are those students who have given up study halls and activity periods to help Mr. Kulas in the Kiski Area Library. They are responsible for filing books on shelves, checking books in and out, running passes, and filing magazines in their proper places. Library aides also help students get books, microfilm and magazines when necessary.

A Step Above

The Gifted Forum consists of those students from Kiski who demonstrate an above average intelligence level. Many times in the past they have gone on field trips to hear international business people speak about their jobs and how they relate to the countries in which they live. These talks provide the students not only with a chance to hear about foreign countries, but also to learn about new and different jobs.

AV Keeps Things Rolling

Although many may believe that the Audio-Visual Club consists only of a lot of students who push movie projectors around, this is not so. Under the direction of Mr. Duckworth, the A. V. Club is not only responsible for supplying audio-visual aids when necessary, but they also run the television equipment for the Christmas Telethon each year and tape various sporting events. These projects are sure to be a learning experience for those involved, while also a help to students and teachers alike.

Members of the Thought for the Day Club are chosen by their guidance counselors. Each morning they share a chosen quote or phrase before the announcements are read. These ideas are given in hopes of inspiring the students of Kiski-spreading a touch of wisdom to each day.

Bible Club

For the second year at Kiski those students sharing a common interest in fellowship joined to form the Bible Club. The members meet weekly to exchange ideas, while also trying to encourage each other throughout the week. At meetings students share thoughts about what Jesus can do for each of them-all on a voluntary basis. Mr. Strauffer sponsors the club.

The Key Club is a organization sponsored by the Kiwanas. Their purpose is to support community and school services. They are voted in by present members. Their community activities include ringing the bell at the Five & Dime in Vandergrift, raising money for famine relief in Africa, and sponsoring Wally Taber. School activities included selling M & M's, and granola bars. The purpose of these two activities was to raise money for a scoreboard for the boys' baseball team.

Student Secretaries are very busy people around Kiski Area. They're the people who bring the teachers their bulletins, find students who are needed in the office and they deliver mail and messages. Another type of student secretary is one who is a secretary for a specific teacher. They correct and type tests and type worksheets, among various other things. So remember, it may look like they just roam the halls but it is a lot of work that will help them in the future.

Mrs. Frayer is the new sponsor of FBLA. This year they sold hoagies and held their annual cupcake sale at Valentines Day. As in the past, it was very successful. FBLA members participated in a competition on various business subjects such as Accounting, Typing, Office Practice and Shorthand. Each month a Business Student of the Month is picked by the club and that student appears in the newspaper.

Ski Club

This year a new club was started, the ski club. The club went skiing on Wednesday nights at Hidden Valley. The members paid a small fee to go on these trips. This fee covered bus trips, ski lessons, equipment, lift tickets, and the actual skiing. The ski club was very successful and the members really enjoyed it.

Friends Dont Let Friends Drive Drunk

Did you know that 25,000 people a year are killed by drunk drivers at a rate of 70 people a day and one every 23 minutes? The newly established Kiski area chapter of S.A.D.D. (Students against Driving Drunk) does and they're trying to do something about it. Along with passing out pamphlets at some area activities, S.A.D.D. members, in association with local law enforcement agencies, participated in a movie documentary on a drunk driving arrest. Other activities included S.A.D.D. Awareness Week, guest speakers, registration of graduation parties, and even subtle reminders inserted in prom gowns and tuxedos. They remind you that drunk driving can kill a friendship.

Just who were those people stopping cars in the driveway anyway? They were the members of this year's Youth Traffic Safety Council. Along with their advisor, Mr. Woitas, the 15 member Kiski chapter is trying to reduce the number of injuries and fatalities as a result of traffic accidents.

This year's activities included a seatbelt check, presenting assemblies at area elementary schools, and passing out "safety canes" at this year's Christmas telethon. The Y.T.S.C. also visits other schools to participate in seminars and to listen to speakers promoting this groups activities.

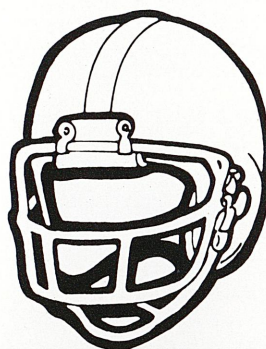

Seatbelts save lives!

Seniors

Last year the Kiski Pride Club was started with the idea of getting the students to work together with the cheerleaders in hope to increase and strengthen school pride and spirit. However, it is a shame that this year the student's participation and interest seemed to be on the downfall. Hopefully next year this group can reorganize and show that Kiski really does have PRIDE!

As the Christmas season approached, the telethon committee began to organize Kiski's annual charity telethon. This year's recipients were the Alle-Kiski Foodbank for the Unemployed and the Kiski Valley Children's Clinic. Due to a lot of hard work, help from our advisors, Mr. Strauffer and Mr. Meighan, and the support of the community, this year's telethon was a big success. Visits by the Pirate Parrot, the Terrible Fan, and Santa Claus highlighted the event.

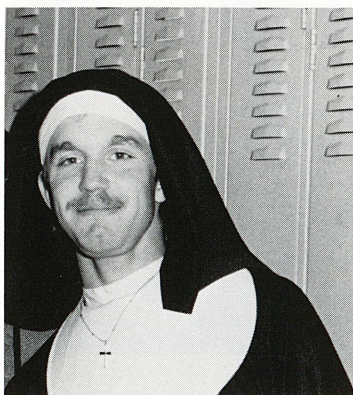

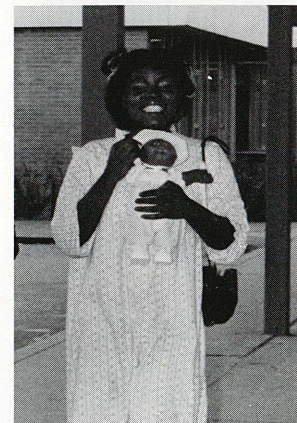

The telethon proved to be a lot of hard work, but those involved also enjoyed themselves and had a lot of fun while contributing to a worthy cause.

The 1985 Cavaliers began their season back in August with a 90 degree week of camp at Slippery Rock University.

Their hard work, dedication, and talent helped bond them into a team that won all but one of its regular season games, leaving a 9-1 record for the Kiski archives.

Although their march to the play-offs was soon checked by a disappointing 24-7 loss, this years Cavs can hold their heads high knowing they were responsible for bringing Kiski back to the top where belong.

The 1985-86 Cheerleading squad was kept busy this year. It started with the seemingly endless summer practices which prepared them for the upcoming football season.

After the football season, they then moved right into basketball season. Cheering twice a week, plus after school practices really kept them busy. Fortunately, despite the hard work, this year left the cheerleaders with a lot of memories that will never be forgotten.

This year's swim teams were made up of very hardworking and dedicated athletes. They struggled through the miles of running and hundreds of sit-ups and push-ups during the pre-season, along with the 13,000-yard double practices during Christmas break in order to make this year's team the best it could possibly be. Even though the team lacked experienced swimmers, the boys managed to win their section title; the first time in Kiski history. Ten swimmers also qualified for the WPIAL meet at Pitt University. In the end, all the work paid off. They also had a great season and a lot of fun, crazy times. It just proves that, "If it's not your best it's nothing."

The Varsity baseball team enjoyed a winning season under coach Dave Giunra. The team qualified for the playoffs with a second place in their section, winning nine and losing five.

The JV team has some good talent and so there is hope for the future. Newcomers are planning to beat the team's past record of three wins and six losses.

At the beginning of the basketball season Kiski's future was uncertain. The team lacked the height present in past year's. Fortunately with talent and dedication they overcame this disadvantage. Under the leadership of the five starting seniors: Joel Hansen, Tony Perrarca, Adam Petrosky, Ken Tardivo, and Denny Wuyscik they played a record-breaking season.

The 1985-86 Cavalier basketball team accomplished more this year than any other team in Kiski's history.

They were runners-up in their section and finished second in the WPIAL Tournament. They won the Western division in the state playoffs and advanced to the finals. At Hershey they placed second behind Carlisle in one of the most exciting games in PIAA history. Not only did the team have a winning record, but they also won the respect and admiration of people statewide. This year's season will most surely be remembered by the players, fans and the community for many years to come.

Although the season was rough for them, the Kiski Area Girls' Basketball Team didn't quit and suprised many of the reams that they played. By giving all they had, they learned that they can accomplish what they set out to do if they just try.

"You have powers you never dreamed of.
You can do things you never thought you could do.
There are no limitations in what you can do, except the limitations
in your own mind as to what you cannot do.
Don't think you cannot.
Think you can."

The '85-86 Kiski Area wrestlers practiced for many long hours after school to build their team. Conditioning included lifting weights, running steps, running around the pool, and even jumping rope. And why did they do this? To a wrestler a few pounds can mean winning a match. Hard work and dedication can pay off in the end. The team this year was led by seniors Bill Roscosky, Tim Pisone, and Leroy Stotler.

Vo-Tech

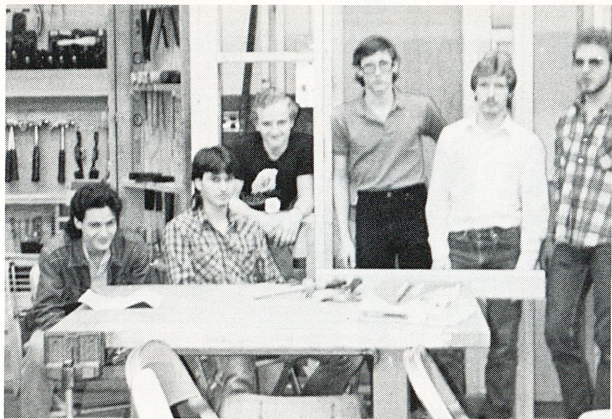

Is it soup yet?

Lookin' Good!

Students from Kiski, Franklin, and Valley attend Northern Westmoreland Area Vocational Technical School. They go to vo-tech during half of each day for hands on experience in the working field. They attend their home school for the other half to take academic classes. Students graduating from vo-tech may go straight into the work force while others choose to further their education.

JUNIORS

OFFICERS: S. Tarosky, A. Kupec, K. Lengauer, M. Herbstner

At the beginning of this year, many juniors had visions of granduer. Yet as the year progressed, they suddenly realized that it was not going to be as easy as they thought. This was an important year. Many began to consider attending college and prepared by taking the PSAT'S and SAT'S. Class rings arrived in September. Juniors also undertook the traditional candy sale to raise money for the prom. By now these students had come to know Kiski and acquired many friends. They would remember their times as juniors and also look forward to the coming year.

Being a sophomore isn't easy, but this year it was a little better since there were the freshmen to share the confusion and fears. Knowing that there were twice as many terrified students walking around, they didn't feel quite as lost.

As a sophomore there is a lot to look forward to, such as the Sophomore Dance and ordering class rings - plus all the things they will be doing as juniors and seniors.

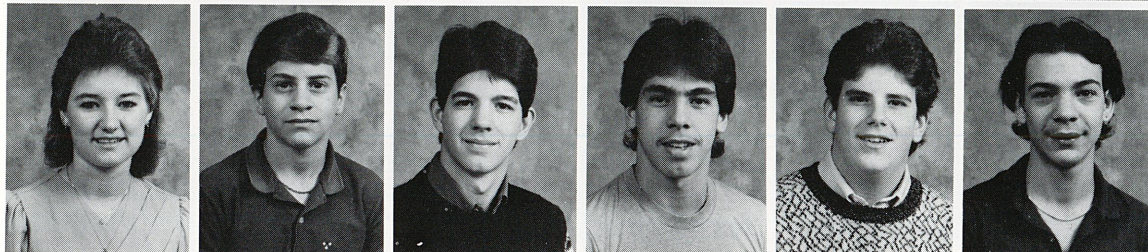

Although it may be scary during the first couple of weeks, the sophomores soon find that they fit right in and can look forward to the many happy times they will have in the future.

FRESHMEN

Freshmen Class Officers: Amy Cernicky, Dave Fields, Cammie Biss, Steve Herbster

Freshmen

History has been made! This Freshman Class is the first 9th grade class to attend Kiski Area High School. Although things were confusing in the beginning, everything managed to work out. They learned that the High School was not an impossible maze of hallways and doors. Everyone complimented these Freshmen on how easily they adjusted to the high school system.

FAREWELL CLASS OF 1986

farther, I have knowledge,
so I pray you'll show me now
how to use it wisely
and find a way somehow
to make the world I live in
a little better place,
and make life, with its problems,
a bit easier to face . . .
grant me faith and courage
and pur purpose in my days,
and show me how to serve thee
in the most effective ways
so all my education,
my knowledge and my skill,
may find their fulfillment
as I learn to do thy will . . .
and may I ever be aware
in everything I do
that knowledge comes from learning—
and wisdom comes from you

We, the 1986 Campus Yearbook Staff, wish
 to thank all who have helped to make this
 year's work a success. Without the support of
 the administration, faculty, patrons, and stu-
 dent body, the production of this book would
 not have been possible. We also extend a
 special thanks to our advisor, Mrs. Wright, for
 giving so much to make this yearbook the best
 it could be.
